

CCB Office Hours

**HMS Quad-based students, faculty, and staff:
Get expert support in AI Basics and R/Stats!**

- In person Wednesday or Zoom any day
- Schedule your consultation via Microsoft Bookings or Email

ccb.hms.harvard.edu

AI and Machine Learning

- Data preprocessing and feature engineering
- Model selection and hyperparameter tuning
- Generative AI and large language models
- Deep learning architectures
- AI ethics and bias mitigation
- Evaluation metrics and model interpretations

Book Time

Grey Kuling, PhD
Curriculum Fellow
grey_kuling@hms.harvard.edu

R and Statistics

- Data cleaning and visualization
- Computational Biology
- Bayesian inference
- Reproducible authoring
- R programming
- Statistical modeling

Book Time

Andrew Ghazi, PhD
Computational Biologist
andrew_ghazi@hms.harvard.edu

Core for Computational Biomedicine

HARVARD
MEDICAL SCHOOL

BLAVATNIK INSTITUTE
BIOMEDICAL INFORMATICS
